Engagement

Q&A

Teaching – Spectrum of Engagement

Sage

Facilitator

Teacher

Instructor

COLLABORATION

CONTROL

Teaching – Engaging

**Engage
Participants
7 days before**

**Participants
do initial
activities**

**Engage
Participants
before live
class**

**Use only slides
and develop a
radio voice**

**Run
simple
activities**

Gaming The Differences

Games: Played for fun & excitement

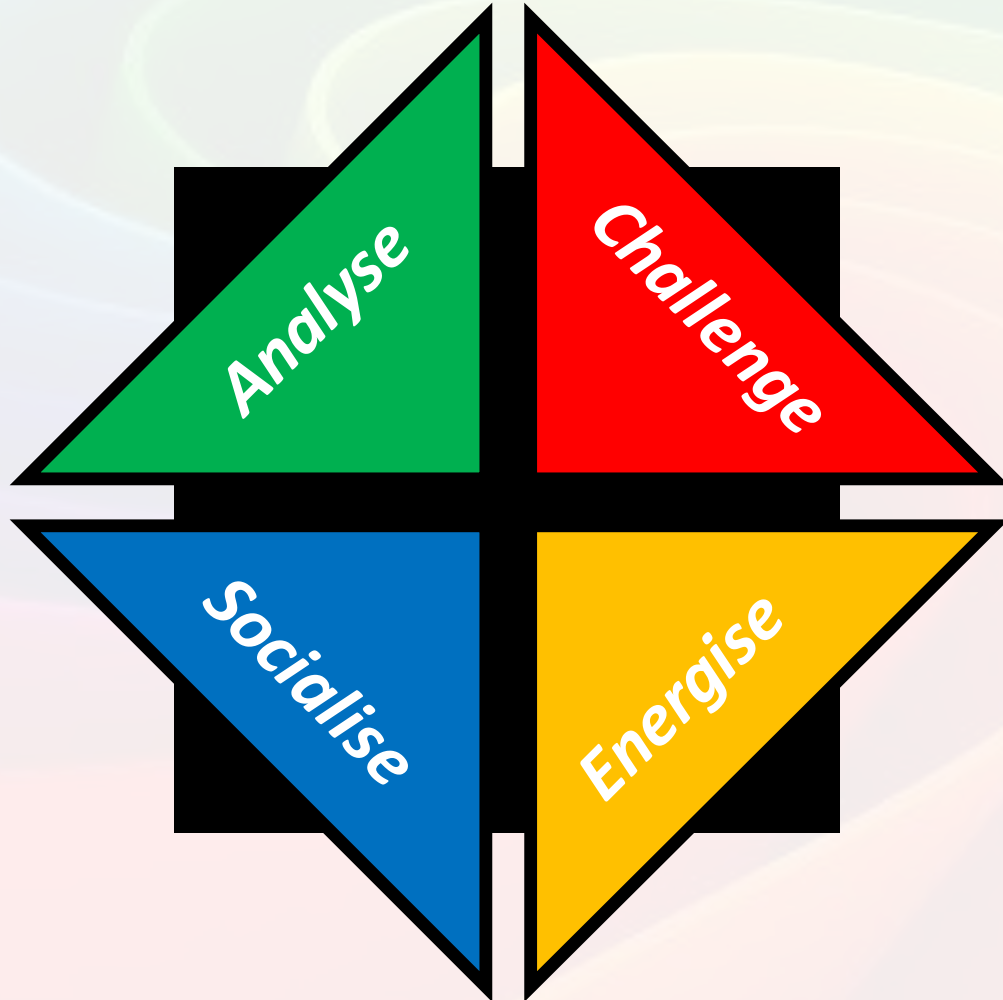

Game-Based Learning: Played to convey a meaning

Gamification: Applying game theory to drive behaviour

Use ACES To

- **Analyse** for problem solving
- **Challenge** for pressure
- **Energise** for excitement
- **Socialise** for communication

Combination increase complexity:

- A: Level 1
- AC: Level 2
- ACS: Level 3
- ACES: Level 4

Methods Compared

EXPERIENTIAL LEARNING

ACADEMIC LEARNING

= FACILITATED LEARNING

Learning Sequence
